WHEREAS:

- a. KMCT POLYTECHNIC is a self-financed polytechnic affiliated by state board of technical education, Kerala conducting engineering diploma courses in Mechanical engineering, Civil Engineering and Automobile engineering with a key determination to provide quality technical education for socially and economically backward classes in its surrounding areas in particular and to State of Kerala,
- b. TechnoLead is a subsidiary of Vibhavin Technologies Pvt Ltd, an MSME startup recognized by Government of India and is in the business of providing Technology Solutions, Services, and Training & Consultancy. TechnoLead is on a mission to create employable talent by imparting Industry readiness program.

PURPOSE OF MOU

In particular, this MOU is intended to

1. Department of Mechanical Engineering & Automobile Engineering, KMCT is desirous of associating with TECHNOLEAD in this unique venture through a multidisciplinary collaboration which will be mutually beneficial to both organizations.
2. Enhance Technical skills and soft skills of students and make them Industry ready for better employability.
3. Organize various workshops on Industry orientation in the campus
4. Conduct Industry orientation program and trainings for Faculties and Management
5. Facilitate practical trainings consisting of Internships and On-Job-Trainings for students
6. Generate self-confidence, Adaptability and Positive attitude and Goal-setting amongst students with an objective to bring down dropouts from their course.
7. Assist the students and Institute in preparing for an effective campus placement drive.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between KMCT POLYTECHNIC and TECHNOLEAD will facilitate effective utilization of the intellectual capabilities of TECHNOLEAD providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of KMCT POLYTECHNIC.

Clause2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- 2.2 TECHNOLEAD will give valuable inputs to KMCT POLYTECHNIC in professional training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between parties will give an insight into the latest developments and requirements of the industries. The industrial training and exposure provided to the students through this association will build confidence and prepare the students to have a smooth transition from academic to working career.
- 2.4 KMCT POLYTECHNIC will inform all its class room trainings, industry internship, and accreditation guidance and consultancy requirements to TechnoLead being its most preferred training and consultancy partner.

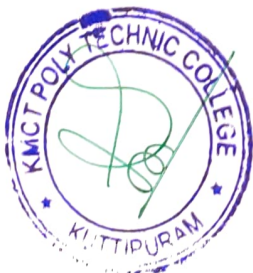

- 2.5 TECHNOLEAD will train the students of KMCT POLYTECHNIC on the Industry readiness requirements, communication skill and soft skill improvement to bridge the gap in skill development and make them ready for most suitable career.
- 2.6 TechnoLead will provide consultancy services to KMCT POLYTECHNIC for improving the quality of academic coaching
- 2.7 TECHNOLEAD will impart soft skill trainings consist of improving self-confidence, adaptability, positive attitude and Goal setting for the students with an objective of bringing down dropouts from their course.
- 2.8 TECHNOLEAD will organize re-engineered Industry orientation program and trainings for Faculties and Management
- 2.9 TECHNOLEAD will extend the necessary support to deliver guest lecturers to the students of the KMCT POLYTECHNIC on the technology trends and changing industry norms.
- 2.10 TECHNOLEAD will facilitate the students of the KMCT POLYTECHNIC to undergo the best suitable internship program and other collaborative skills development trainings including various certified trainings and On Job Trainings that are most preferred by the industry. TECHNOLEAD will identify suitable Industries and organize the internship under the supervision of Industry experts and undertake required program management.
- 2.11 TechnoLead will provide assistance in increasing the campus placement opportunities
- 2.12 TECHNOLEAD will prepare and submit detailed commercial proposals for the training & consultancy services to KMCT POLYTECHNIC covering the scope, duration and terms for necessary management approvals from time to time.

Clause3

VALIDITY

- 3.1 The validity of the agreement is three years from the date of agreement and thereafter renewable subject to mutually agreed terms.

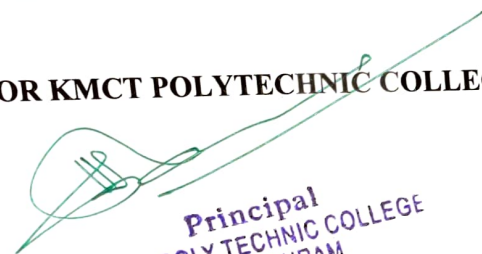

- 3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 3.3 Any dispute that arises between parties would be resolved through mutual discussions between the parties and will be resolved amicably keeping the interest of both parties and also keeping in larger interest of the program.
